

## Recessed Bath Vent/Light - AI BFVR70L

### RECESSED LIGHT LOOK

A height	B length	D width
5¾"	13¼"	7¾"
146mm	337mm	197mm

### Description

Contemporary recessed light look bath vent provides efficient ventilation for small bathrooms, laundry rooms and utility rooms up to 65 square feet. Easy installation with plug-in motor, built-in junction box and mounting tabs. Precision balanced fan blades for quiet operation.

### Specifications and Features

- Galvanized housing resists humid conditions & changing attic temperatures, unlike plain steel housing used in many vents.
- Housing has ceiling thickness indicator markings & built-in mounting tabs for quick installation.
- Easy remove & install motor assembly with keyhole mounting bracket.
- Permanently lubricated motor with plug for quick activations.
- Built-in junction box for easy wiring.
- Molded fan blade; precision balanced for quiet operation.
- Molded duct adapter with built-in damper for 4" duct.
- Attractive white recessed trim.
- Includes medium base lampholder.
- Maximum 75w lamp (lamp not included).
- Units & service parts are CSA listed.
- 50dB, 2.0 Sones
