

## Bushed (Chase) Nipples

### Industry Standards

- UL 514B
- Fed. Spec. W-F-408E
- NEMA FB-1

### Construction

- Malleable iron with zinc plated finish

### Application

- For use with a locknut to connect between two boxes side by side or back to back
- For use with a locknut to connect fixture housing to continuous runs
- For use through knockout to connect box to conduit coupling

### Features

- NPSM Threading for Rigid conduit and IMC
- RoHS compliant

## Bushings - Threaded

### Industry Standards

- UL 514B
- Fed. Spec. W-F-408E
- NEMA FB-1

### Construction

- Malleable iron with zinc plated finish

### Application

- Indoor or outdoor usage
- Use with a locknut to terminate Rigid or IMC to conduit outlet box

### Features

- Designed to prevent damage to wire during installation
- Helps prevent wire wear and tear over time
- RoHS Compliant
