Atlantic

INDUSTRIAL®
A QSSI Company Since 1985

ATLANTIC IS A TRUE LED MANUFACTURER

with 36 years experience in electrical and lighting products manufacturing all of our LED luminaires, arrays, and optics. Atlantic's 5 US Locations provide a 5 day average lead time anywhere in the United States with a 98% fill rate at a 1 piece minimum order. We are continuously increasing our extensive inventory levels to meet today's supply chain challenges as part of our "Never Run Out" core belief. LED fixtures are assembled and configured to the needs of your project by Atlantic's skilled production personnel. Before shipping, all fixtures are 100% tested and ensured they meet all required safety standards. US Assembly meets the Buy American Act-COTS under the products category. Products are always in stock and ready to ship directly to the job site using experienced trucking companies. Standard fixtures can be customized to meet customer project requirements. Our rapid ship program allows us to proudly deliver products when you need them.
